Our school is a child friendly, focused, calm, respectful, welcoming, and safe (physically and emotionally) place where students and staff love to be.

All students at our school, no matter what their abilities make progress in their academic learning. Students understand what and why they are learning, can articulate their progress and where they are heading.

Duvauchelle School is an integral part of the Banks Peninsula community. Our values are shared and supported, with positive, mutually beneficial, and sustainable relationships between all of us.
